**About the Presenter . . .**

**Dr. Scott Miller** conducts workshops and trainings in the United States and abroad and is known for his engaging and humorous presentation style. He has presented to many professional audiences including the American Psychological Association, the American Society of Clinical Hypnosis, the International Congress on Ericksonian Approaches to Hypnosis and Psychotherapy, the International Society for the Study of Multiple Personality and Dissociation, and the National Association of Social Workers. He is the author of numerous articles and co-author, with Insoo Kim Berg, of Working with the Problem Drinker: A Solution-Focused Approach and The Miracle Method. His most recent books are Escape From Babel, Psychotherapy with Impossible Cases, Handbook of Brief Therapy, Heart and Soul of Change, and Staying on Top and Keeping the Sand Out of Your Pants.

**WHO SHOULD ATTEND THIS WORKSHOP**

This workshop has been designed specifically for *Psychiatrists, Psychologists, Marriage and Family Therapists, Social Workers, Counselors, Shelter Staff, Employee Assistance Professionals, Mental Health Workers, and Juvenile Justice Staff* who wish to broaden their professional skills and effectiveness. This workshop offers participants a collaborative, competency-based approach to working with mandated clients. Participants will focus on practical, skill building rather than theory. Translate the latest research findings into empirically supported principles for clinical practice. Participants in this workshop will also learn how to use the client's theory of change to guide choice of technique and integrate various therapy models into their treatment. Participants will learn to obtain and use valid and reliable feedback regarding the client's experience of the process and outcome of treatment. The material offered in this workshop is highly practical, can be applied to a wide range of settings, and can assist practitioners in maximizing their effectiveness with clients. Video examples and handouts will be used to enhance the learning experience of each participant.

**WORKSHOP OBJECTIVES**

**After attending this workshop participants will be able to:**

1. Motivate clients as well as themselves.
2. Gain new and helpful techniques in dealing with mandated clients.
3. Select ways to increase efficiency by classifying and tailoring treatment to the motivational level of the client.
4. Co-construct clear goals, determine preferred outcomes, and identify signs of change.
5. Integrate a series of interviewing skills that help clients resolve their presenting problems in a timely manner.
6. Choose methods for helping clients maintain the gains they make while in treatment.
